

STOCKPORT & DISTRICT POOL LEAGUE '82

GENERAL RULES

MARCH 2006

1. Equipment

- 1.1 All tables must be level, playable, covered with a green or blue covering (other colours are no longer considered suitable) and marked with a line.
 - a) Tables must have a suitable lighting canopy above the table providing adequate light source (energy saving bulbs are not suitable).
- 1.2 All complaints about tables may be only made on the night of the match, by phoning a league official, and requesting an inspection. Result at time of complaint stands.
- 1.3 Home teams must have the following match equipment available on the premises:
 - a) A spirit level of between 8" and 12" in length.
 - b) A spare cue ball.
 - c) An official S & DPL '82 template.
 - d) A Spider and a Cross cue rest (both must be made available).
 - e) Blue or Green chalk (other colours are no longer considered suitable).
 - f) A suitable sized cue must be available if your table has a hazard like a wall or post, etc which does not allow for a normal sized cue to be used.
- 1.4 A set of Yellow/Red balls.

If any of the above equipment is not available when legitimately requested during a frame, and cannot be produced within 5 minutes, then the frame will be awarded to the away team, not the match. If after a further 10 minutes, the equipment requested cannot be produced, the match is suspended, and a fine will be imposed on the home team.

- 1.5 A stopwatch (Super 10/Superleague Divisions only).
 - a) Super 10 must use their stopwatches at all times.
 - b) The use of a stopwatch is optional for the Suerleague. A referee may request the use of a stopwatch whilst a frame is in progress. The home team must then use their stopwatch for the duration of that frame. Failure to do so will be penalised with a fine of £20.00.

2. Player Registration

- 2.1 All new players must be registered with the Fixture Secretary,
Steve Howard, 2 Swallow House Crescent, Hayfield, High Peak, SK22 2HD.
All registrations must be on official forms (applications on the back of official forms will not be accepted)
- 2.2 A player may transfer from one team to another but the league no longer operates an automatic transfer system. All transfer requests must be on an official transfer form (available from the Fixture Secretary) and handed or sent to the committee, who will treat each request individually with both captains notified of the request.
 - a) The Executive Committee has the right to refuse any transfer that may be detrimental to the league.
 - b) Only one transfer per person per season is allowed.
 - c) The season is not more than half way through.
- 2.3 Players cannot play unless their Captain receives official notice (written or verbal) from the Fixture Secretary. Postal registrations should allow at least 7 days.
- 2.4 All registration forms will now be kept by the committee. Teams will no longer be required to keep copies.
- 2.5 If a team leaves the league owing monies, any player from that team wishing to register for another team will be subject to a £5 fine or 10% of the balance owing to the league at the discretion of the committee.

3. Matches

- 3.1 All games must be played in a **SPORTSMANLIKE** manner and in the interest of sportsmanship, captains should make themselves known to their opposite number, as should players entering a venue where they are not known by their opponents.
- 3.2 7 players in each team, playing one frame each (total 7 frames).
The Super 10 play 14 frames, which is two lots of 7 frames with the option of up to 2 substitutes being used in the second set of 7, which means a possible 9 players can be used in a match.

- 3.3 Players must be named on the match card prior to each frame, and may be named as the game progresses.
- 3.4 If a team doesn't have a full squad for a match, then they may use a re-draw. The team in question must inform their opposition that they intend to use the re-draw and then the captain must number all his/her players (already listed on the result card) in any order. The opposition captain then calls out a number and that player then plays the re-draw game. If a player, that has already left the game, is called out, then that game is forfeit.
NOTE: A team can only use 1 re-draw in a match and only 2 per half season (giving a maximum of 4 per season)
- 3.5 In match play the home team breaks all games. (Except K/O's, playoffs, or otherwise as instructed by the committee).
- 3.6 1st game should commence by 8.30pm, failure to do so resulting in loss of frame by offending team. If 1st game claimed, 2nd game must commence by 8.45pm, failure to do so resulting in loss of frame by offending team. If the match is not started by 9pm, the offending team lose the match and all points are awarded to the opposition. Also, the offending team will be fined £10 (this fine is in addition to any monies being claimed for food) and will have 2pts deducted for the "no show". Note: you can only claim a frame/match if the table is set up ready to begin play and not if the table is being used for games other than the match.
- 3.7 All players do not have to be present by 8.30pm. If a player is not present and ready by the time their game is called, then the game is given to the opposition. All games must run continuously.
- 3.8 The result card should be on the table where it is visible to the visiting team or handed to the visiting captain on arrival. All named players are to sign the match card **prior to playing their game.** Each Captain to ensure that their own player signs the card. Failure to sign a result card will incur a fine to the team involved. Any incorrect signatures subject to a fine and a 2-match suspension for the persons involved. Captains are only to sign the bottom of the result card if accepting the result.

The match result **must** be received by the Fixture Secretary, from the **winning team**, no later than **3pm Friday** following the fixture. Results will be accepted by phone call or text message to: **07915 633231** or by email to: **results@shootpool.co.uk** Whichever method is used, the result must still be received by the 3pm deadline on the Friday following the match. Result cards **must** be handed in to the fixture secretary at the next league meeting. Failure to comply, will result in the **winning team forfeiting all their points from their respective matches**. No points will be lost by, or awarded to the opposition. **IT IS THE RESPONSIBILITY OF THE WINNING TEAMS TO COMPLY AND ENSURE RESULTS ARE RECEIVED.**

NOTE - No other person, whether League Official or not, has the authority to receive result cards from standard fixtures. Telephoned results are not acceptable.

- 3.9 One point will be awarded for each frame won, with the winning team gaining a further three points.
- 3.10 If a team drops out of the league in the first half of the season, all points awarded against such a team will be deducted. If a team drops out of the league during the second half of the season, then only the second half points awarded against such a team will be deducted.
- 3.11 The Gallon is played after the match and is a "pairs" frame. Player details should be filled in as normal with 1 point going to the winning team. Teams must register at the start of the season to play in the official gallon league.

4. Fixtures

- 4.1 All matches are to be played on fixture date only. Failure to do so may result in expulsion of the offending team. **Teams failing to fulfil a fixture may be expelled from the league.**
- 4.2 If there is a reasonable excuse the committee may allow a match to be played on another date, providing it is played within 4 weeks from the original date. 7 days notice of cancellation must be given to the committee and the opposing team, along with a date when the match will be played. **If four or more players are available then the match may not be cancelled.**
